Corifurn have the experience and skills to deliver the quality and service you would expect. Our dedicated services will be with you throughout your project to guide, design and implement your new kitchen. We design and build all office furniture and cupboards. Corifurn keeps the customer 100% satisfied throughout the design, built and the final touches to the masterpiece in the making. With good customer service and satisfaction, we strive to improve and better ourselves in the fast and competitive market.

We manufacture our products out of Melamine board, Supawood, PVC Wrap, with wrap doors or square edged doors. Post form tops and Granite tops

**We specialize in the following:**

Kitchen Cupboards.

Granite Tops.

Built-in Cupboards.

Wall units

Bars

Vanities

Office furniture.

Office desks and chairs.

Custom made furniture. (Specials)

Bulk filing systems

Canteen furniture

Training rooms

With our extensive experience in the market, we did all kinds of installations. We engage in a professional manner and have one goal in mind...perfection.

**Great reasons for using Corifurn to do the design and installation.**

Save time.

Time equals money.

Accurate and professional service at all time.

Quality workmanship

Don't have to guess on the outcome of the installation.

Our team of dedicated employees and suppliers excel in customer satisfaction and good customer relations. We do installations quickly and efficiently to avoid any heartaches caused by poor workmanship.

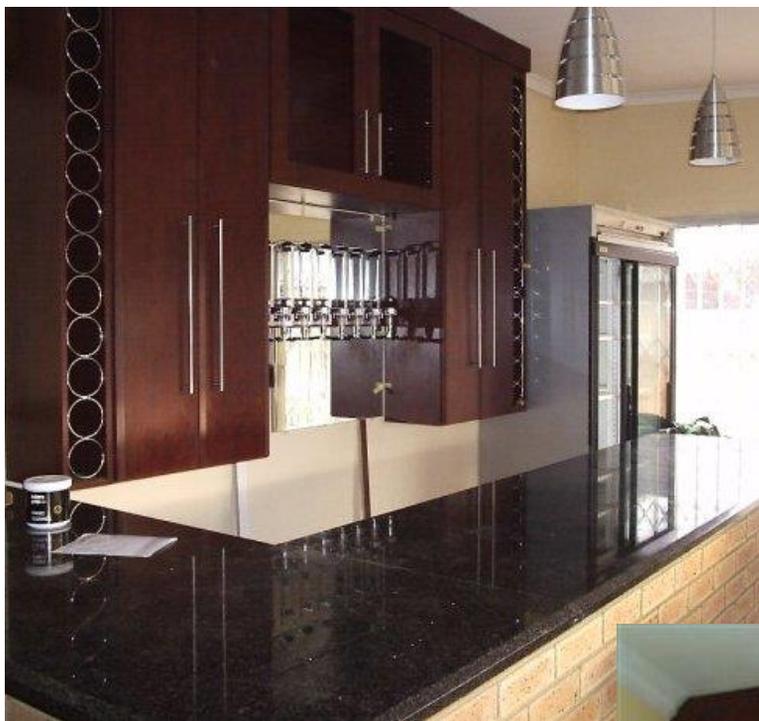

Give us the opportunity to come and visit you and provide you with a quotation that will suite your needs.
